## ASO Payroll Service

Tuesday, April 4, 2017

**Dear ASO Clients:**

**We hope you are enjoying the spring sports season!**

We have decided to make an administrative change to better serve you and focus our efforts on assigning and game coverage. As a result, ASO will no longer be administering payroll, effective fall 2017. This decision was a difficult one, but we believe that focusing solely on assigning and schedule management brings many benefits. By relieving ourselves of payroll duties, ASO will be able to ensure more precise schedules, better coverage and quicker response times. Shifting payroll away from our area of expertise will allow us to handle the ever-changing game schedules and needs in a more timely and effective way, minimizing any errors and oversights.

We wanted to inform you of this change as soon as possible to give you ample time to prepare for the upcoming season. Please let us know if you have any questions. We look forward to continuing to provide you with quality officials for many seasons to come.

**Sincerely,**

**Jerry Letofsky, President  
Aurora Sports Officials, Inc.**
